

SENSING SOLUTIONS FOR AUTOMATION

## INTRODUCING OUR FIRST-EVER *VOICE OF THE CUSTOMER SURVEY*

Miller Edge works relentlessly to improve our outstanding track-record of superior customer service, products, and programs. In the spirit of this effort, Miller Edge is pleased to introduce the new **Voice of the Customer** survey.

Two times per year (once near the middle of the year, and once near the end of the year), Miller Edge will send you a brief survey. Taking a brief minute or two to complete the multiple choice survey will have a tremendous impact on our ability to improve and serve you better. Additionally, please feel free to forward this to anyone in your company that you feel should also fill out the survey.

We can not stress enough how appreciative we are for your participation in the **Voice of the Customer** survey. Thank you for your time, consideration, and business!
